

SFY 2019

## Unexpended Grant Funds

*As reported to the Nevada Grant Office during State Fiscal Year (SFY) 2019*

Per Nevada Revised Statutes 232.224, the Nevada grant office serves as a clearinghouse for disseminating information relating to unexpended grant money of state agencies as reported by state agencies. Any questions regarding this report should be directed to [Grants@admin.nv.gov](mailto:Grants@admin.nv.gov). Feedback is welcome.

### Notification Summary

The Grant Office received two notifications of unspent funds in SFY 2019.

1. The Nevada Division of Forestry reported the Cooperative Forestry Assistance Program grant has \$116,976.14 of unspent funds when the federal award expired 06/26/2018. This is a consolidated payment grant for multiple Division of Forestry programs. The grant has been extended to the maximum period of five years and cannot be extended any further.
2. The Nevada Division of Forestry reported the Forest Health Protection grant has \$2,366.65 of unspent funds when the federal award expired 06/26/2018. These grant funds are specifically for insect and disease prevention, restoration and suppression projects on state and private lands.
