

Persistence – Dedication – Results

Federal Grants Workshop

May 22, 2014

2-4 p.m.

Sahara West Library

9600 W. Sahara Avenue

Did you know that Nevada has received more than **\$6 billion in federal grants** since 2012? Yes, it has! Hundreds of organizations, agencies, and individuals across the state have received grant awards to support their operations. Attend the “**Federal Grants Workshop**” to understand the process and learn how to participate. You will be equipped with information that can potentially benefit your worthwhile initiatives and Nevada. The following topics/areas will be covered:

- Registration requirements for federal grants
- Searching for federal grants
- Competitive federal grant applications
- Nevada Office of Grant Management
- Advice from the grant representatives for:
 - Senator Harry Reid, Senate Majority Leader
 - Senator Dean Heller
 - Congressman Joe Heck
 - Congresswoman Dina Titus
 - Congressman Steven Horsford
- Questions and comments

Examples of areas receiving federal grants: computing and core programs, conservation, ecological restoration, education, executive excellence, faith-based outreach, family interaction, homelessness response, international efforts, leadership development, manufacturing innovation, medical support, natural gas research, nonprofits, recreation, rural nursing education, senior citizen engagement, small business technology, support for veterans, technology, water safety, youth programs, etc.

Register NLT May 16 at www.mihsolutions.com/events. There is no cost to attend. Begin to make it happen!
